

Language Bank

Sometimes we meet customers for whom English is not the primary language spoken. To facilitate communication with these customers, this WorkSource Northwest language bank has been established. Should you have a customer needing assistance, please contact the staff person indicated to provide translation services.

If staff indicated is not available, or if another language not listed below is needed, contact the AT&T Language Bank at (1-800-643-2255) or the local Language Exchange (360-755-9910).
