BOOKS ON INTERVIEWING:

Check out your local library for a wide variety of books on interviews.

What Color Is Your Parachute, by Richard Bolles

This book is "A Practical Manual for Job-Hunters & Career-Changers." There are several sections in this book on interviewing. See index for exact pages.

Job Search That Works, by Rick Lamplugh

This book walks you through a 10-step program on job searching. It gives good strategies on contacting employers, getting interviews, and make interviews work.

The Business of Listening, by Diane Bone

This book teaches strategies for better listening skills – a key factor for a successful interview.

INTERACTIVE CD ROMS

Win Way Resume- Watch an ideal interview and get hints on how to answer difficult interview questions. This interactive CD ROM includes interviewing questions on topics such as stressful questions, unlawful questions, skills and training questions, and salary negotiations. It also gives suggestions on questions to ask at an interview.

What Color Is Your Parachute- Richard Bolles gives advice on all topics of job search including interviewing and salary negotiations.

PRACTICE INTERVIEWS

Practice interviews are scheduled by appointment at WorkSource Whatcom. Call (360) 671-1660. Bring a blank videocassette if you wish to have your interview recorded.

*Additional resources and/or workshops may be available.
